For 13 years, I have skillfully helped individuals preserve and grow their capital. Over the past four years in particular, I have focused on helping professional athletes structure their assets so they can live the life they want and leave a legacy for those they love.

My experience in the financial industry includes managing portfolios as well as offices. I built and ran several top-performing brokerage offices for two major Canadian financial institutions. As well, I have achieved the designation of a Portfolio Manager at Macquarie Private Wealth Corp., a distinguishing credential I possess which gives me a clear advantage over many of my peers. In this capacity, I am qualified to advise on a discretionary basis, and have developed detailed model portfolios to satisfy a range of client preferences using a disciplined investment approach.

I attained my MBA in Finance from Laurier University; a Post-Graduate Diploma in Investment Management from Concordia University; a Bachelor of Arts Degree (Hons.) from York University; my Certified Financial Planner (CFP) designation; my Fellow of the Canadian Securities Institute (FCSI) designation; and my Canadian Investment Manager designation (CIM). I believe that education is empowerment and continually seek out opportunities to further my investment knowledge.

I have a strong desire to give back to the community. Accordingly, I'm quite active on the sponsorship and management side of a number of celebrity charity golf events including those hosted by Sam Mitchell (NBA personality), Kevin Weekes (former NHL player and TV personality), and Marshawn Lynch & Josh Johnson (NFL Stars, "Family First" football camp).

My interest in investing carries over into other areas of my volunteer work. As a member of the Urban Financial Services Coalition (UFSC), I provide financial education, mentoring, advice and access to underprivileged children. I am also involved in the Investment Advisory Committee of the Ministry of the Attorney General for the Province of Ontario for the Office of the Guardian of the Public Trustee. The government is entrusted with several billion dollars, funds that have been bequeathed to, and are used to, support orphans and elderly individuals without families. Our committee is the voting panel that regulates the Advisors who manage these funds on behalf of the province.
